CEO STRATEGIC INSIGHTS

ELECTRONICS DOMINANCE

Electronics leads with 526 listings and avg ₹5,966 price point, yet also delivers the highest savings (₹4,161) — indicating aggressive high-ticket discounting to drive adoption.

DISCOUNT SWEET SPOT

50–70% discount band accounts for 504 products (~34% of catalog). Ratings show no meaningful correlation with discount depth — quality perception is independent of pricing strategy.

₹200-500 VOLUME PLAY

377 products (26% of catalog) sit in the ₹200–500 range. This mass-market segment drives review volume and repeat purchases, anchoring platform-wide satisfaction scores.

OFFICE PRODUCTS UNDERSERVED

OfficeProducts earns the highest avg rating (4.31) but represents only 31 listings — a clear whitespace opportunity to expand this high-satisfaction, low-competition category.
